About Us

It all began in a small kitchen in upstate New York. My grandmother would wake me up early every Sunday morning to begin family dinner. We normally had fresh pasta, meatballs, sausage, salad & of course fresh Italian bread from the bakery. As soon as I could walk, my grandmother had me rolling the meatballs, stirring the sauce & kneading the dough. I loved every minute of it! Even when she used to slap my hands all day long when I would sneak a taste of pretty much everything on the counter. Her style of cooking was simple. Fresh ingredients, slowly cooked to perfection. That is what we want everyone to experience when they come into Al Dente. A feeling of home, the smell of garlic & herbs in the air, a greeting that makes you smile & food that warms your heart & tummy.
