About Us

It all began in a small kitchen in upstate New York. My grandmother would wake me up early every Sunday morning to begin family dinner. We normally had fresh pasta, meatballs, sausage, salad & of course fresh Italian bread from the bakery.

As soon as I could walk, my grandmother had me rolling the meatballs, stirring the sauce & kneading the dough. I loved every minute of it! Everything on our menu is made from scratch in house using with the best semolina flour from Italy. Our fresh pasta is heavy in protein, fiber, iron & B vitamins & can actually support weight loss, heart health & digestion.
